The 1956 Maroon

Roscoe S. Cartwright

1898—1956

Shortly after celebrating the anniversary of twenty-five years of service in the Elgin school system as a teacher and administrator, our principal, Roscoe S. Cartwright, died.

In the quarter century that he influenced life in this city, his principles and ideals became an integral part of the school and community. It is unnecessary to reiterate his many activities and contributions, since these are well known by those who came in contact with him. He is best remembered for the personal interest that he showed in all of his work.

No doubt he was the busiest man in our school system, but he was never too busy to offer a congenial handshake and a warm greeting.

Mr. Cartwright's main interest in life, persistent even through his long illness, was the students of Elgin High School. This is exemplified in his constant attention to the curriculum, vocational guidance, and the devotion of much time to the securing of scholarships.

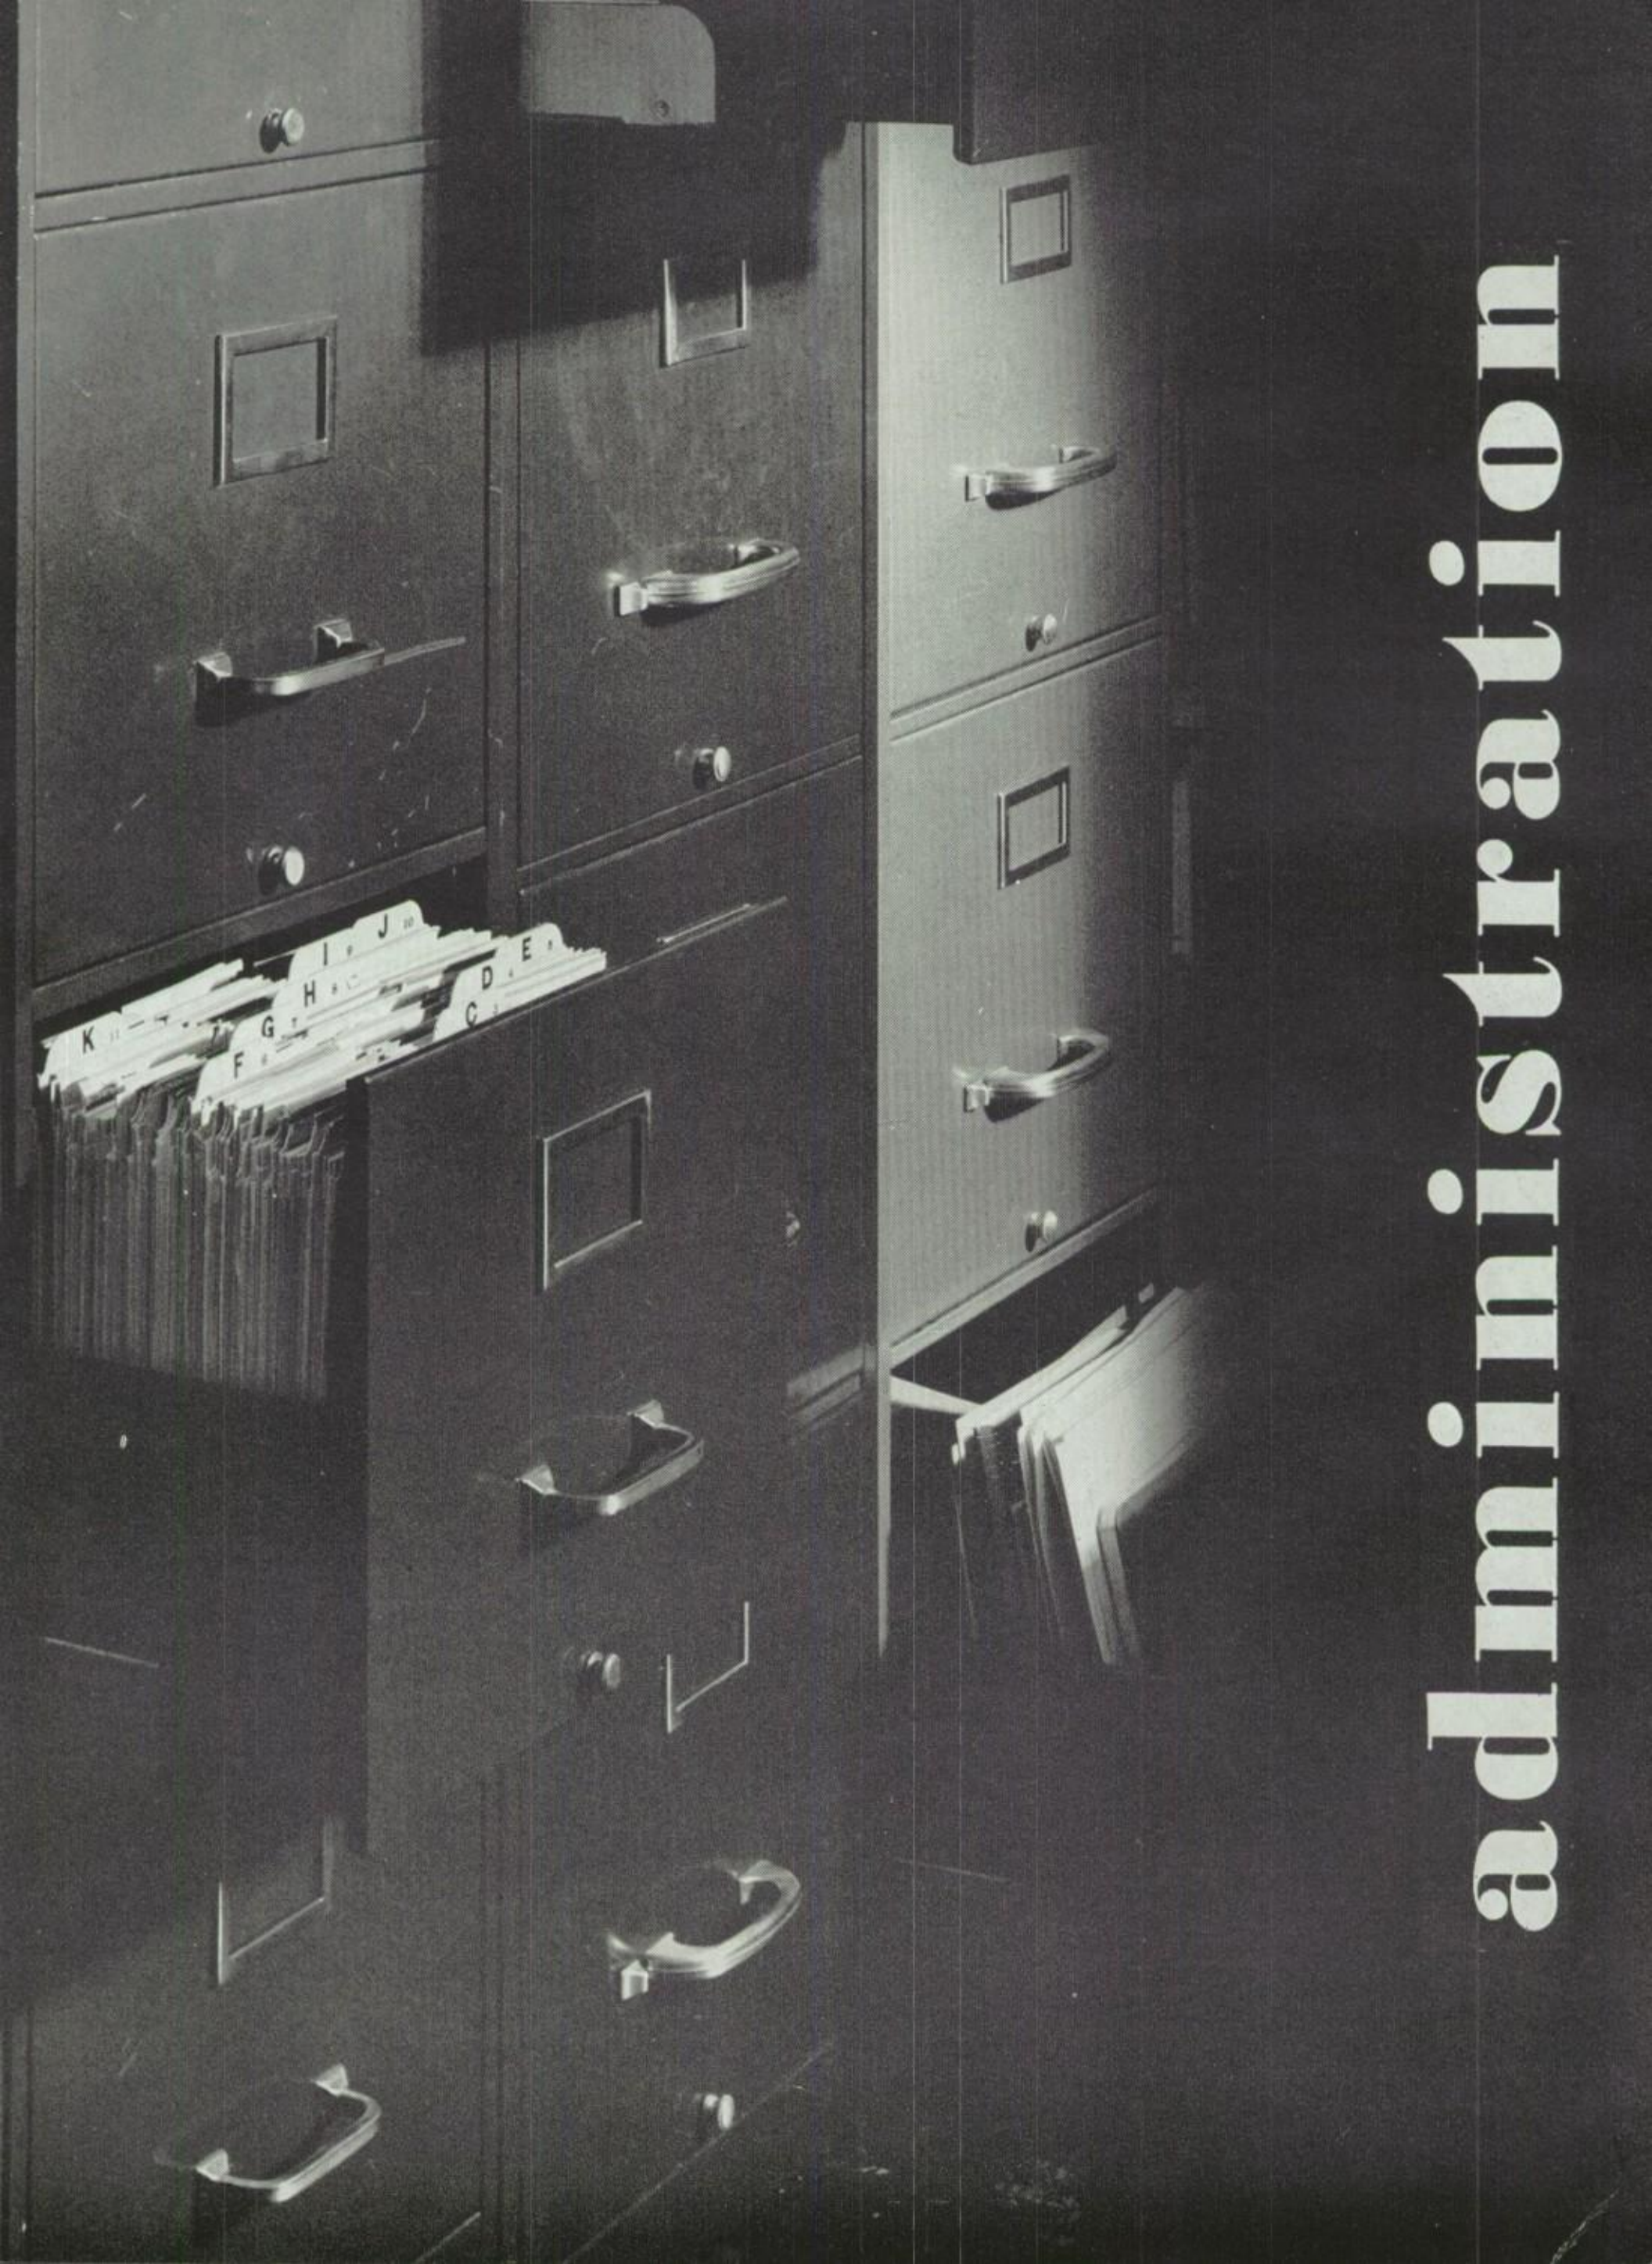

Even though Mr. Cartwright is gone, he lives on in the traditions of good education that he established and made a part of the daily life at Elgin High School.

Many people are responsible

MR. JOHN A. KRAFFT
Acting Principal and Dean of Boys

MR. ORRIN G. THOMPSON
Superintendent of Elgin Public Schools.

MR. MARVIN L. BERGE
Assistant Superintendent and Director of Curriculum and Instruction

JOHN A. KRAFFT

It is not easy to assume suddenly the burden of principalship; and for a less capable man than John Krafft to have assumed this job, would have been disastrous to Elgin High School's welfare. It is a tribute to Mr. Krafft's administrative ability that he accepted this added responsibility and at the same time functioned as Dean of Men. Counseling seniors on their choice of a college and giving vocational guidance occupy much of Mr. Krafft's time, yet he retains a sincere interest in the welfare of each student that comes into his office.

We are deeply indebted to Mr. Krafft for performing such a difficult job so well.

for the elgin public school system

The Elgin Public School System is well-known as maintaining high standards. The fine reputation of the Elgin Public School System is largely due to the distinguished group of gentlemen that comprises our Board of Education. Affecting not only the faculty, but the students as well, the decisions of these nine play an important part in our school lives. They are responsible for the selection of our teachers and administrators. Any changes and improvements made in the school buildings are made possible by them. They serve as willing advisers when the need arises, solving the various problems that come up. We are very fortunate to have such a well-chosen Board of Education.

MARGARET R. FOSBERRY

No school can truly benefit its students without having an Administration whose sole interest lies in the welfare of these students.

Elgin High School is especially fortunate in having Margaret Fosberry as its Dean of Girls. Miss Fosberry is not only interested, she goes out of her way to help each and every E. H. S. student, by always being available to help with programs, college applications, and scholarships. Her genuine concern and untiring efforts have inspired many students to continue their education and make a success of their future lives.

Miss Fosberry, along with being a successful administrator, is also a very successful person, commanding a deep measure of gratitude from every graduating student.

The responsibilities of Treasurer of Elgin High School, keep Mr. L. V. Robinson and his assistant, Mrs. Arlene Johns, very busy.

A high school cannot function without efficient office employees. At Elgin High School, we are especially fortunate. Donna Zimmerman, Mrs. Norma Utt, and Mrs. Eva Hopkins are not only efficient but also glad to help each Elgin High School student.

JUNIOR A CAPPELLA . . . The Junior A Cappella Choir, under the able direction of E. Arthur Hill, is becoming an increasingly important organization. Members of the Senior A Cappella are chosen from this group.

The choir presented assemblies at both Larson and Ellis Junior High Schools. Also they sang for a P.T.A. group this year. At Christmas they joined the Senior A Cappella in giving the Messiah; and in the spring, the two choirs again combined to sing in the Fox Valley Festival and the Contemporary Arts Festival.

Play the fiddles, beat the drums.

The Elgin High School Concert Orchestra under the direction of Miss Marion Laffey has, as usual, been very busy this year. They have participated in a variety of the school's activities.

In the fall, a great deal of fun was had in preparing for the annual Operatic Nights performance after which work was immediately begun on the Messiah, which was presented in December.

With the onset of the second semester, the students began preparing for the annual Spring Concert and the district contest which both took place in March.

During the year, the orchestra played in various concerts for several schools throughout the state.

the year's activities

Perhaps the busiest organization in the school is the E.H.S. Band. During the first part of the year while the Elgin football squad was preparing for their games, the Elgin Band was hard at work too, busily at work at Maroon field marching from one end to the other. The band started practice before the school year began and continued throughout the season working during the noon hour and fourth period. All this practice payed off for we were all proud of our marching band this year.

The band performed at various assemblies and presented its own assembly in January. Two public concerts were given this year, the winter concert in February, the spring concert in May. In February Abbott Junior High School was our host for an assembly.

In February we went to Bloom Township for an assembly; the following month they came here and payed us the same favor. This year Elgin High exhibited one of the best bands in its history.

Good acting plus an attentive audience

The class of 1956 definitely scored a hit for its junior thespian attempt. The Oliver Goldsmith comedy "She Stoops to Conquer" proved to be a delightful treat for the audience. The fact that it was a costume play added to the subtle English humor.

Hunting for the most timely and interesting news and feature articles is the task of the students working on the paper. The pictures help to give a running account of the current events in news, sports, and trends. Miss Burns is the able sponsor of the bi-weekly paper. The paper is self-supporting with the advertising staff contacting the businessmen of Elgin.

Studious Maroon undertakes tasks

MAROON STAFF . . . Throughout the year the Maroon Staff has worked in unison to produce the kind of book we thought the students would enjoy most.

First, it was decided that we would produce this book without a theme. After this, the work began; designs and layouts were selected, the copy was written and typed, class and activity pictures were scheduled, sports scores collected, and patrons contacted.

Near the end of March, the book began to take form. Even after the book had been sent to the publisher our work was not done, for when the completed books came back, they had to be counted, grouped, and delivered.

STUDENT COUNCIL . . . The Student Council may well be proud of the fine work it has done in maintaining law and order in the halls and classrooms of Elgin High School. Acting as a mediator between the faculty and the student body, the Council is organized to minimize problems of the school and to make it operate more smoothly. Very important because it represents every homeroom and every student, the Student Council is directed by an Executive Council, which is chosen by the students, and advised by Mr. Wilson, who represents the faculty.

With the addition of a special Stunt Night Commission, which has done an exceptional quality of work in producing a musical, "Don't Laugh Lady," that replaces the former Stunt Night, there are now six commissions: Research and Publicity, which services the school and Student Council Bulletin Boards and records annual achievements of the commissions; Social, which was responsible for the Homecoming float, Christmas decorations, and publicity for the Mid-Winter Indian Dance Ceremonies; Building and Grounds, which has done much

to reduce the traffic problem, to maintain cleanliness of halls and grounds, and to enforce the up and down stairs system; Service, which produced a fine Student Directory; and Program, which is responsible for well-planned Induction, Courtesy, and Election Assemblies. Representatives have also attended the Big Eight—Little Seven, District, and State Conventions of Student Councils.

A special emphasis has been placed on courtesy in order that we may uphold the high standards of our High School. We are reminded that our school is judged by the principles and manner of courtesy and citizenship which we, the student body of Elgin High School, set up through the Student Council and carry out.

We are very fortunate to have Lore Krebs, our Foreign Exchange Student, to share the culture of Austria with us. The Foreign Exchange Student is chosen through the American Field Service in the hope that it may create a better understanding between nations. We congratulate Mary Collins, who will represent us as a Foreign Exchange Student to Europe this summer, and the Student Council of Elgin High School.

Mr. Stuart and council members packing boxes to send to Japan.

The Junior Red Cross has always been a very active group at E.H.S. Under the sponsorship of Mr. Gus Stuart and Mrs. Beth Ferguson, many worthwhile projects have been carried out.

The council's pet project has been the sending of clothes to the Sendai Mission in Japan. Regular trips are made to the Elgin State Hospital, in which both Red Cross Members and students participate. Because of the student sponsored entertainment, these programs are eagerly anticipated. The Red Cross has rendered great service to its members and the community.

Our undefeated champions set new

VARSITY FOOTBALL . . . Victorious not only on the scoreboard, but on the field of sportsmanship, the Elgin High School Football Team may well be proud of its outstanding record. Taking each game as it came, they constantly revised their plays to meet the various opponents. 'Modest in victory', the Maroons didn't receive the opportunity to taste defeat. Elgin High witnessed its first undefeated football team since 1929. Yardage and pass completion proved further their superiority. Placing eight players on the All-Conference Squad and Huber and Wallace named to the All-State Eleven, the Maroons showed outstanding individual character as well as teamwork.

SOPHOMORE FOOTBALL . . . Tasting defeat from Freeport's Pretzelettes in the first game of the season, the Elgin Sophs rallied to capture a 20-7 victory over the E-Rabs. The Maroons proved to be a hot and cold team, with a 3-4 record. They lost a close one to LaSalle Peru in the final game of the season, 14-13.

With a spirit forever alive

Elgin's "cagey five" was minus one first string player off and on this hoop season as Chuck Rachow was out with a leg injury. The EHS Basketballers played a hot and cold season because of lack of enough experience. Chuck Rachow, Doug Wallace, and Greg Koon returned from Elgin's second place 1955 team to bolster this year's squad. With a strong line of juniors this year, the future is brightening for the cagers of 1957.

The sophomores come through for EHS

SOPHOMORE . . . The Sophs did it again! Starting the season with a defeat followed by six victories, the Maroons started to roll. Joliet and West Aurora offered opposition, stealing victories. Upholding last year's tournament stealers, the Sophomore Basketball Team poured on the steam in the Hinsdale Tournament. Their efforts were not in vain as they won the 1956 trophy. The sophomores offer strong additions to next year's varsity team.

VARSITY . . . Stopped short by a defeat from West Rockford, the Elgin Maroons rolled over East Aurora and East Rockford. As Elgin slowed its defenses, Joliet stole a close victory. Hitting a hot streak, the cagers pulled off two victories over West Aurora and Freeport. Recovering from their previous defeat, East Aurora came back to defeat Elgin. Then followed a series of hit and miss victories and losses. The EHS Basketballers took the first game at Crystal Lake over Grant, but lost the second to Elgin's own St. Edward's.

The Baseballers closest victory was against Wheaton, 5-4, and their greatest margin of points was over Dundee, 15-6. Both were Conference games. Their closest defeat was given by Marmion, 1-0, and North Chicago chalked up the greatest number of points against us with a 13-6 victory. The Maroons split in the Sectional, defeating West Rockford, 4-0, and being defeated by North Chicago, 3-1.

Swimming to victory

In the five years that Elgin has had a swimming team, this year's team has produced the most outstanding record. Although inconvenienced by the lack of their own pool, Elgin's Mermen finished the season with 9 wins, 2 defeats, a 2nd place in the triangular meet, and 2nd place in the conference. Coach Max Von Isser was very happy over this year's success, but was the most pleased when Elgin defeated its rival of long standing, East Rockford.

WRESTLING . . . The Elgin High School grapplers came through with a highly successful mat season this year. Losing only two dual meets, the squad ranked second in the Conference; being beaten by Joliet. Improving in the Sectional, they took a well-earned first. Not only strong as a team, several champs developed. Six mat men wrestled in state competition. Individually, Jim Demmitt went undefeated; Tom Hosier lost one; and Lloyd Kellenberger lost two. Dear NANCY,

I still actually think I'd rather have you than a do-it-yourself kit. It's easier, Dummy. Don't worry about me at all. I can take care of myself. We won't get as far as Georgia, as far as I know now.

Are you going to be working at the UNION NATIONAL BANK all year long? Just think; After a few years at 750 So. STATE, and I'll be all right. We have our fun though, don't we? I wasn't feeling too good Thursday night, but I will get better. I hope. I must be fatigued a little bit. You realize of course this is not the way I usually write. I use a backward slant. But then I can't even begin to write in a straight line.

We will be back in about a week. Be good while I'm gone and so will I. We (you & I) going to have a TREMENDOUS summer. Goodbye for now.

Love

Dirk
